

PHARMACEUTICALS LIVE HERE

As Canada's largest centre of life sciences activity, Ontario boasts an attractive location for growing pharmaceutical and biotechnology companies. Offering a collaborative ecosystem of partners, including hospitals, universities, research centres, incubators and multinationals — the province's pharmaceutical sector is helping the healthcare industry meet the challenges of today and tomorrow.

Ontario has more pharmaceutical companies than any other Canadian province, including global companies such as Sanofi Pasteur, Roche and GSK, and homegrown companies such as Apotex.

Our diversified sector, collaborative spirit and deep talent pool are creating pharmaceutical and biotech innovations that will improve healthcare delivery around the globe. Whether you want to expand your operations here or source some of the highest quality products and services in the world, Ontario is your pharmaceutical destination.
